The purpose of this workshop is to facilitate the formation of a Reporting Requirements Manual and Administrative Costs Working Group as envisioned in the April 28, 2000 Assigned Commissioner Ruling (ACR) Regarding Standardization Of Reporting Requirements And Utility Administrative Costs For Low-Income Assistance Programs. It is not the intent of Energy Division to manage the Working Group or record the Working Group's proposals. Once formed the working group will propose modifications to the low-

income assistance component of the Reporting Requirements Manual (RRM) to be used during the program year 2002 planning cycle and will be used by the utilities for reporting in their May 1, 2001 Annual Reports.

Interested participants should review the April 28,2000 ACR for a full listing of the scope intended to be covered by the Working Group. A copy of the April 28,2000 ACR is available on the library page of the Low Income Advisory Board’s website at <http://www.liab.org> or a copy can be obtained by contacting Mike Rosauer of the Energy Division (phone 415-703-2579, e-mail fly@cpuc.ca.gov). Interested participants should be prepared to establish a schedule for completing the report envisioned by the April 28, 2000 ACR. The Commission will conduct a workshop where persons interested in discovery practice at the Commission will have an opportunity to discuss their views on proposed changes or additions to the Commission’s discovery rules in formal Commission proceedings. Prior to the workshop, it would be useful if interested persons have reviewed a conceptual

discussion on this topic, as well as the cover letter to that discussion, which are both on the Commission's web site at http://www.cpuc.ca.gov/divisions/alj/alj_div_home.htm. In addition to attending the workshop, persons may comment in writing no later than July 6, 2000, on the scope of the issues set forth in the conceptual discussion and whether they are sufficiently inclusive. At the workshop, interested persons will have a further opportunity to discuss their views on these issues and hear the concerns of others. The Commission is seeking these comments before considering a possible rulemaking to revise the Commission's discovery rules applicable in formal Commission proceedings. There is currently no docket number to this matter. The service requirements for written comments are set forth in the conceptual discussion.
