11/26/97 I96-09-002 Commission Investigation into whether the Greenbelt Water Company, Inc., is unable or unwilling to serve its ratepayers, is incapable of financial management, or is unresponsive to the rules, orders, and decisions of the Commission.

Summary: On November 24, 1997, Fred Curry, Chief of the Small Water Branch, Water Division of the Commission, contacted ALJ Weiss in San Francisco. Also presented were: Art Jarrett, Program Project Supervision of the Water Division and Laura Tudisco, Legal Division. Curry referred to two scenarios set forth by the Department of Water Resources for repayment of the Safe Drinking Water Bond Act loan. Curry informed Judge Weiss that the Water Division would probably recommend that the surcharge amount be reduced and the life of the loan remain at 22 years, but noted that the Water Division would agree if the majority of customers preferred the other scenario.
