Summary: LATE FILED NOTICE. On December 19, 1997, Richard Purkey, for Sprint Communications Company's (Sprint) Directory, State Regulatory/West, sent a letter (attached to notice) to Cmmrs. Conlon, Knight, Duque, Neeper, and Bilas. Purkey discusses Sprint's filing of tariffs to discontinue the marketing and sales of competitive local exchange services to new residential customers in California. Purkey stated that Sprint will continue to provide service to existing residential customers, and service to business customers remains unaffected. Purkey stated that the manual service order processing systems of Pacific Bell and GTE imposes added customer acquisition costs upon Sprint, and that these costs, together with existing resale discounts, make it impossible to profitably offer local service via resale in California. Purkey stated that the poor quality and unreliability of these manual systems prevent Sprint from offering local exchange service via resale in a manner consistent with the high standard of quality associated with the Sprint brand.
