GLOSSARY

After January 1, 1998, the California Public Utilities Commission is required by statute (SB 960) to categorize each case that comes before it. There are three categories, quasi-legislative, adjudicatory and ratesetting. If a case does not require hearings before it is resolved, the case is removed from the SB 960 category requirements. The legend below shows the abbreviation for each of the categories and provides a brief explanation.

- Q** **Quasi-legislative** proceedings are proceedings that establish policy or rules (including generic ratemaking policy or rules) affecting a class of regulated entities, including those proceedings in which the Commission investigates rates or practices for an entire regulated industry or class of entities within the industry.
- A** **Adjudicatory** proceedings are: (1) enforcement investigations into possible violations of any provision of statutory law or order or rule of the Commission; and (2) complaints against regulated entities, including those complaints that challenge the accuracy of a bill, but excluding those complaints that challenge the reasonableness of rates or charges, past, present, or future.
- RS** **Ratesetting** proceedings are proceedings in which the Commission sets or investigates rates for a specifically named utility (or utilities), or establishes a mechanism that in turn sets the rates for a specifically named utility (or utilities). Ratesetting proceedings include complaints that challenge the reasonableness of rates or charges, past, present, or future.
- N/A** Removed from the SB 960 category requirements.

-----------------------------------	--

The Telecommunications Division of the California Public Utilities Commission will be holding a technical workshop on the efficient utilization of numbering resources. Number pooling offers the potential to reduce NXX demand by enabling multiple carriers to share numbers from a single NXX code. Participants should come prepared to nominate persons to the Task Force, develop the structure of the Task Force, define the mission of the Task Force, and deal with self-governance issues such as voting membership, multiple chairmanship, rotation of meeting locations, the taking of minutes and the filing of said minutes with the Commission, and other housekeeping issues that may arise. Please RSVP by September 23, 1998 to Mary Jo Borak, at 415/703-1879, Email: BOR@CPUC.CA.GOV or Risa Hernandez at 415/703-5331, Email: RHH@CPUC.CA.GOV
