11/4/98	A95-05-030	Roseville Telephone Company, for authority to increase its intrastate rates by \$26,890,729 effective 1/1/96; adopt the new regulatory framework proposal and
	I95-09-001	Commission Order Instituting Investigation, into the

A95-05-031 rates, charges, service, practices and regulation of Roseville Telephone Company; consolidated with A95-05-030.  
Roseville Telephone Company; for authority to implement a proposed agreement and plan for reorganization which would result in a holding company structure

**Summary:** On November 3, 1998, Michael Campbell, Executive Vice President and Chief Financial Officer of Roseville Telephone Company (Roseville) initiated two separate meetings: with Cmmr. Bilas and with Cmmr. Neeper, in San Francisco. At the meeting with Cmmr. Bilas also present was Lester Wong, advisor to Cmmr. Bilas, and at the meeting with Cmmr. Neeper - Fassil Fenikile, advisor to Cmmr. Neeper. In both meetings also participated Greg Gierczak, Executive Director - Regulatory for Roseville. Campbell and Gierczak explained that the Office of Ratepayer Advocates (ORA) did not comply with the requirements established by the Commission for consideration of whether or not to commence a verification/nonregulated operations audit and to select a consultant for any such audit. Campbell and Gierczak further explained that Roseville objected to the scope and cost of the audit proposed by ORA, and that the Commission, if it determines that an audit should begin now, should require ORA to restart the process of selecting a qualified auditor at a reasonable cost.

**Summary:** On November 2, 1998, Michael Campbell, Executive Vice President and Chief Financial Officer of Roseville Telephone Company (Roseville) wrote a letter to Cmmr. Bilas. Copies of the letter were also sent to Cmmrs. Conlon, Duque, Knight, and Neeper; to Executive Director Franklin; ALJ Mattson; and the Office of Ratepayer Advocates (ORA) staff counsel Ira Kalinsky. In the letter, Campbell states that ORA, contrary to the Commission order, unilaterally decided to begin a verification audit of Roseville. The letter further states that ORA's action was improper, as was the Assigned Commissioner's ruling on ORA's tardy motion to commence a verification audit. Campbell's letter asks the Commission to grant Roseville's motion for evidentiary hearings to determine whether or not a verification audit is needed at this time and that the Commission, if it ultimately determines that an audit should be held, disregard the improper process used by ORA to commence the audit and that a new, open process occur to select a qualified auditor at a reasonable cost.
