The package you receive via mail will include only those agenda items available at the time of the agenda distribution date, which is usually 10 to 12 days prior to the Commission meeting. If agenda items (including revisions) are not ready on the distribution date, they will be made available at no charge in the lobby outside the Commission Auditorium at 9:00 a.m. on the morning of the Commission meeting, but not earlier.

Summary: On December 1, 1998, Karen M. Potkul, Vice President - Legal and Regulatory Affairs and Mack E. Gibson, Director - Process Integration and Supplier Management for NEXTLINK California and Doug Garrett, Senior Director - Government Affairs for ICG Telecom Group, Inc., met with Cmmrs. Bilas and Conlon, and their advisors Lester Wong and Jose M. Jimenez, in San Francisco. NEXTLINK and ICG (parties) reiterated their respective positions that the Commission should deny Pacific Bell's Section 271 application. Parties stated that their companies would benefit more from Pacific Bell's genuine compliance with the 14-point checklist than from preventing Pacific Bell's entry into interLATA markets. Further, the Parties encouraged the Commission to adopt the

recommendations of the Final Staff Report. Parties emphasized the need for CLC involvement in testing of access to OSS, the need for expedited dispute resolution procedures, and the importance of performance measures and incentives as a safeguard against future discrimination by Pacific Bell.
