Commissioner Colon at the Commissions San Francisco office. At the meeting, Messrs. Mr. Price and Mr. Lewis also explained that resale discounts and pricing for unbundled network elements render those service delivery methods unprofitable and necessitate a facilities based entry strategy. They asked the Commission to approved the merger on an expedited basis. Messrs. Lewis and Artman observed that the principles and procedures established in the Commission's orders in the MCI/BT merger proceeding should be applied in this case.

Gamboa stated that it is the Intervenor's position that the article regarding the Home loan plan demonstrates the likelihood of matching funds for the RTF equity fund, and the significance of Home's strong interest in offering matching funds. Gamboa stated that the second article promotes diversity as a business necessity and discusses a new business plan to promote the diversity that is presently lacking in Enova's workforce. Gamboa stated that Intervenor's previously sought that Newco, the company resulting from the merger of So Cal Gas and SDG&E, provide the CPUC with both a diversity plan and annual reporting on its diversity accomplishments.
