Summary: LATE -FILED. On February 5, 1998, Bruce Foster, Vice President, and Russell G. Worden, Regulatory Affairs Manager for Edison met with Commissioner Knight at the commissions San Francisco's office. Mr. Foster referred to a letter from John Fielder, Vice President of Edison which has been delivered to each of the Commissioners in January 27, 1998. Mr. Foster stated that the draft decision that was held from the February 4, 1998, Commission Conference (Agenda Item H-4) should be adopted without modification. He said that this draft decision represents a correct and fair interpretation of section 369 of Assembly Bill (AB) 1890. He urged the Commission to reject the recent re-interpretation of the section being urged by a number of parties that would result in shifting the Competition Transition Charge (CTC) to remaining customers and creating a new exemption for certain others.
