NOTICE OF DRAFT RESOLUTIONS
(Pursuant to PU Code § 311(g))

Draft Resolution Approving Disclosure Of Information Concerning Utility Readiness With Respect To The Year 2000 Computer Problem, Including Utility Responses to Resolution M-4792, Dated November 19, 1998 Available For Public Review And Comment.

A draft resolution (M-4793) of the Executive Division approving disclosure of information concerning utility readiness with respect to the Year 2000 (Y2K) computer problem, including utility responses to resolution M-4792, dated November 19, 1998, will be on the April 1, 1999 Commission meeting agenda. The Commission may vote on this resolution at that time, or it may postpone a vote until later. When the Commission votes on M-4793, it may adopt all or part of it as written, amend or modify it, or set it aside and prepare a different resolution.

The draft resolution was circulated on March 2, 1999 to the Resolution M-4792 Service List, and to other entities, such as certain passenger stage corporations and vessel common carriers, who have been asked to provide information concerning their Y2K readiness.

Utilities and other entities providing Y2K readiness reports to the Commission pursuant to Resolution M-4792 may request in comments to this draft resolution that certain limited portions of their Y2K readiness reports should be treated as confidential. Entities seeking confidential treatment should recognize the strong public interest in disclosure of Y2K readiness information, and should seek confidential treatment only if they can demonstrate to the Commission's satisfaction both that the portions they wish kept confidential fall within a specific exemption in the California Public Records Act (Government Code Section 6250 et seq.) and that the public interest in nondisclosure clearly outweighs the public interest in disclosure. An entity should not seek confidential treatment of any information which has been made publicly available through Y2K readiness reports filed by that entity with other agencies or through reports posted on the entity's web site. Any request for confidentiality must be filed prior to the close of the comment period for this resolution.

Interested parties may obtain a copy of M-4793 for review and submission of written comments. A copy of the draft resolution may be obtained from, and any subsequent written comments should be submitted to:

Fred Harris, Staff Counsel
Legal Division
California Public Utilities Commission
505 Van Ness Avenue, Room 5122
San Francisco, CA 94102
Telephone: (415) 703-1557

An original and 2 copies of comments must be received by the Legal Division by March 15, 1999. Comments shall focus on factual, legal or technical error in the proposed resolution, or on narrowly tailored requests for confidential treatment of limited portions of Y2K readiness information, as outlined above. Late filed comments will ordinarily be rejected. However, in extraordinary circumstances, a request for leave to submit comments late, together with the proposed comments, may be filed. An accompanying declaration under penalty of perjury shall also be submitted setting forth all the reasons for the late submission.

Draft Resolution Authorizing Southern California Edison Company and Pacific Gas and Electric Company to Implement a Payment Deferral Plan for Citrus Producers. Qualifying Citrus Producers May Defer up to 50% of Their Electric Bills for a Period up to Twelve Months. The Draft Resolution is Available for Public Review and Comment.

A draft Resolution (E-3593) of the Energy Division authorizing SCE and PG&E to defer up to 50% of the electric bills for qualifying citrus producers will be on the April 1, 1999 Commission Meeting Agenda. The Commission may vote on this Resolution at that time, or it may postpone a vote until later. When the Commission votes on E-3593, it may adopt all or part of it as written, amend or modify it, or set it aside and prepare a different Resolution.

The draft Resolution was circulated on March 2, 1999 to a service list of over 200 persons who usually participate in electric issues at the Commission.

Utilities and other entities may provide comments to draft Resolution E-3593. Interested persons may obtain a copy of E-3593 for review and filing of written comments. A copy of the draft Resolution may be obtained from, and subsequent comments should be submitted to:

Juanita Porter
Energy Division
California Public Utilities Commission
505 Van Ness Avenue
San Francisco, CA 94102
Telephone: (415) 703-1093

Persons may submit comments on the draft Resolution by March 22, 1999. The date of submission is the date the comments are *received* by the Energy Division.

Persons must serve a copy of their comments on all persons on the service list attached to the draft Resolution, on the same date that the comments are submitted to the Energy Division. A copy of the service list may be obtained from Ms. Porter.

Comments shall be limited to 5 pages in length plus a subject index listing the recommended changes to the draft Resolution, a table of authorities, and an appendix setting forth proposed findings and ordering paragraphs.

Comments shall focus on factual, legal, or technical errors in the draft Resolution. Late-submitted comments will ordinarily be rejected. However, in extraordinary circumstances, a request for leave to submit comments late may be filed together with the proposed comments. An accompanying declaration under penalty of perjury shall be submitted setting forth all the reasons for the late submission.
