7/2/99 A99-03-062 Southern California Edison Company, for an order under Section 701 of the Public Utilities Code granting Southern California Edison Company authorization to establish a pilot program for reselling bilateral forward purchases into the PX and ISO.

Summary: On July 1, 1999, Sue Mara, member of Alliance for Retail Markets (ARM) and Regional Director of California State Government Affairs for Enron Corp. (Enron), met with Cmmr. Neeper in San Francisco. Also present were: David Gamson, advisor to Cmmr. Neeper; members of ARM Peter Bray and Muir Davis, of PG&E Energy Services; and Jeanne Bennett, attorney for ARM. Bennett stated the ARM's support for the proposed decision and its concerns with respect to Cmmr. Neeper's memo, which voiced a negative reaction thereto. Bray related why ARM believes that the proposed decision reaches the correct outcome and ARM's concern as to the impact on the competitive retail market of the UDCs' repeated forays into the procurement industry. Mara expressed the view that the UDCs are further entrenching themselves as default providers using ratepayer dollars, while Enhanced Service Providers are left struggling against a subsidized competitor – the UDC. The participants also discussed the differences between the legal and policy reasons as to why the application should not advance.
