**NOTICE OF DRAFT RESOLUTIONS**  
**(Pursuant to PU Code § 311(g))**

Draft Resolution Approving Disclosure of Clarification to Staff Investigative Report and Supporting Records Concerning Explosion Occurring on February 17,

1998 at 2101 San Pablo Avenue, Pinole, California, Available For Public Review And Comment.

A draft resolution (L-286) of the Legal Division approving the disclosure of information concerning the explosion occurring on February 17, 1998 at 2101 San Pablo Avenue, Pinole, California, will be on the September 2, 1999, Commission meeting agenda. The Commission may vote on this resolution at that time, or it may postpone a vote until later. When the Commission votes on L-286, it may adopt all or part of it as written, amend or modify it, or set it aside and prepare a different resolution.

The draft resolution was circulated on August 3, 1999 to the attorneys of record for the parties in State Farm v. EBMUD, Contra Costa County Case No. 9805176, and to Pacific Gas & Electric Company, the utility whose facilities were involved in the explosion.

Interested parties may obtain a copy of L-286 for review and submission of written comments. A copy of the draft resolution may be obtained from, and any subsequent written comments should be submitted to:

Lynne McGhee  
Legal Division  
California Public Utilities Commission  
505 Van Ness Avenue, Room 5003  
San Francisco, CA 94102  
Telephone: (415) 703-2913

An original and 2 copies of comments must be received by the Legal Division no later than Thursday, August 26, 1999. Comments shall focus on factual, legal or technical error in the proposed resolution. Late filed comments will ordinarily be rejected. However, in extraordinary circumstances, a request for leave to submit comments late.

---

### **CORRECTION**

The August 3, 1999, Daily Calendar indicated that a draft resolution (L-285) of the Legal Division approving disclosure of confidential records concerning direct access customers to the California State Board of Equalization pursuant to a confidentiality agreement will be on the September 2, 1999, Commission meeting agenda. The Daily Calendar invited comments on the draft resolution and also noted that this draft resolution has been circulated to the Electric Restructuring Service List, R.94-04-031/I.94-04-032, the Registered Electric Service Providers Service List, and the Inactive Electric Service Providers Service List.

---

Due to changed circumstances, draft resolution L-285 will not be placed on the agenda for consideration at the Commission's September 2, 1999 meeting. Since the matter will require consideration by the Commission at a future business meeting, the Daily Calendar will provide notice and information about filing comments at a future time.

If you have questions, you may contact Fred Harris at (415) 703-1557.

**Summary:** On July 29, 1999, James Scarff, attorney for the Office of Ratepayer Advocates (ORA), met with Michelle Cooke, advisor to Cmmr. Duque, in San Francisco. Scarff stated that the negotiations between Southern California Gas Company and ORA on the market valuation of Southern California Edison Company's hydro assets were ongoing, but that resolution of all the issues appeared less likely to ORA at this time. Scarff explained that scheduling additional round of testimony and hearings after the end of the legislative sessions might serve some purpose if these hearings could function in information gathering that would inform the debate both here and at the legislature. Scarff noted that new information regarding market power problems and environmental needs had become known to stakeholders since they submitted their direct testimony. Scarff added that the following major issues should be resolved prior to any further testimony: The applicability of any decision in the docket to Pacific Gas and Electric Company, who claims that it is no longer an applicant and thus any decision would not apply to it; and, ORA's argument that any principles regarding market valuation of retained assets should also be applied to nuclear generating assets.

**Summary: THIS IS AN AUGMENTED NOTICE OF AN EX PARTE COMMUNICATION WHICH WAS FILED ON JULY 22, 1999 AND APPEARED IN THE CALENDAR OF JULY 28, 1999.** On July 19, 1999, Jim Callaway, President, Pacific Telesis External Affairs, met with Cmmr. Wood in San Francisco. Also present were: Norman Low, interim advisor to Cmmr. Wood; Bill Blase, Vice President, and Cynthia Marshall, Executive Director-Regulatory of Pacific Bell (PacBell). Written materials (attached to the notice) were used. Representatives of Pacific discussed some of the key issues of the Telecommunications Act of 1996, including collocation, access to unbundled network elements, and the pricing of unbundled elements and resold services. PacBell representatives articulated how the regulatory rules have evolved, and expressed their belief that this evolution went beyond the intent of Congress in order to facilitate local competition. Pacific representatives also provided an overview of the California 271 activities from March 31, 1998 to the present.
