11/15/99	A97-12-039	San Diego Gas & Electric Company, for authority to sell electrical generation facilities and power contracts; Amendment to application; amends the relief requested in the application by asking for authority to sell and donate its South Bay Power Plant to the San Diego Unified Port District.
----------	------------	---

Summary: On November 10, 1999, Diane I. Fellman, counsel for Goal Line, L.P. (Goal Line), met with Dorothy Duda, advisor to Cmmr. Bilas in San Francisco. Also present was Karen L. Peterson, counsel for Goal Line. Fellman stated that the Draft Decision (DD) recommending approval of San Diego Gas & Electric's (SDG&E) Power Contract Auction, should make no findings with regard to assignment of the underlying Power Purchase Agreement (PPA). Fellman stated that as a result of the legal and factual errors, Goal Line has proposed in its comments on the DD new findings of fact that (1) reject paragraph 3 of the MOU as legal error because an agreement between SDG&E and the Office of the Ratepayer Advocates cannot decide contractual issues, such as consent to the auction or assignability of the auctioned contracts; and (2) the Goal Line PPA must be

exempt unless SDG&E obtains Goal Line's consent or a court decision that the auction will not impact the tax-exempt status of Goal Line's bonds or otherwise cause adverse economic consequences to the project.
