TA Identified MWs

Represents "Identified MW" from TA Program participants' service accounts from completed TA audits. Represents verified i.e.tested MW for service accounts that participate in Auto DR. Represents verified MW for service accounts that participated in Technology Incentives (TI). Customer service accounts must be enrolled in a DR program however not in AutoDR. MW reported in this column are not necessarily the amount enrolled in a DR Program. Represents the sum of verified MWs accounts that participated in TI plus Auto DR programs. Represents MW of participants in the TA stage i.e."Identified MW". AutoDR Verified MWs TI Verified MWs Total Technology MWs General Program category
