Resolution \_\_\_\_\_

Southern California Edison Company  
Micro-Business Self-Certification Affidavit

In accordance with Decision (D). 10-10-032 and (D). 10-11-037, qualifying non-residential customers (excluding fixed usage and non-metered customers) may benefit from certain deposit and backbilling rules that apply to residential customers. If your business (aggregated by service account) had an annual usage of under 40,000 kWh during the previous calendar year, or had a monthly demand of less than 20 kW during the previous calendar year, Southern California Edison (SCE) qualifies you for these deposit and backbilling rules automatically.

If, however, your business does not meet the above-described usage or demand criteria, or for whom SCE lacks 12 months of data from the previous calendar year to make this assessment, you may use this form to self-certify that you qualify as a Micro-Business under the California Government Code.

The customer of record on the affected account may certify as a Micro-Business by self-certifying per the instructions below.

**I. Customer Declaration**

I, \_\_\_\_\_ (name), hereby certify that I am authorized to make this declaration as the Customer or as an authorized representative of the Customer \_\_\_\_\_ (name on account).

I have personal knowledge of the matters set forth herein and, if called upon as a witness, could and would testify competently thereto.

I understand that, notwithstanding my signature below, if the information provided by me is not accurate, my business will not be considered a "Micro-Business" by SCE.

I hereby certify that my business qualifies as a Micro-Business, as defined in California Government Code 14837 (and as adjusted by the California Director of General Services). As of December 27, 2010, a Micro-Business is defined under California law as a small business which EITHER, together with affiliates, has average annual gross receipts of three million five hundred thousand dollars (\$3,500,000) or less over the previous three years, OR is a manufacturer primarily engaged in the chemical or mechanical transformation of raw materials or processed substances into new products (classified between Codes 31 to 33, inclusive, of the North American Industry Classification System), with 25 or fewer employees.

I declare, under penalty of perjury under the laws of the State of California, that the foregoing is true and correct. Executed this \_\_\_\_\_ day of \_\_\_\_\_, \_\_\_\_\_ at \_\_\_\_\_, \_\_\_\_\_.
