SUBJECT: **Permission Granting an Extension of Time of Use of an  
Experimental Transformer Installation Authorized by  
Resolution No. E-973**

WHEREAS: **San Diego Gas & Electric Company has by letter dated June 1,  
1959 requested an extension of time to continue for one year to  
deviate from Rule 58.3-C3 of General Order No. 95 by continuing in  
service an experimental transformer installation authorized by  
Resolution No. E-973; and**

WHEREAS: **Following an investigation it appears that continuation  
of the experiment until the company shall have concluded its investi-  
gation and determined the desired information is justified and good  
cause appearing;**

IT IS HEREBY ORDERED that SAN DIEGO GAS & ELECTRIC COMPANY be authorized  
to continue in use the experimental transformer installation authorized  
by Resolution No. E-973 until said company shall have concluded its  
investigation under the following conditions.

1. That Conditions 1 and 2 of Resolution No. E-973 remain in effect.
2. That the company shall annually report to the Commission as to the progress of the experiment and upon completion of the experiment, shall advise the Commission of the results thereof and the date of removal of the transformer.

I hereby certify that the foregoing Resolution was duly introduced, passed and adopted at a regular session of the Public Utilities Commission of the State of California, held on the 7th day of July, 1959, the following Commissioners voting favorably thereon:

EVERETT C. McKEAGE

President
