RESOLUTION NO. E-1712
UTILITIES DIVISION
BRANCH/SECTION: Electric
DATE: October 18, 1977

R E S O L U T I O N

SUBJECT: Order authorizing special agreement between Pacific Gas and Electric Company and the Pacific Telephone and Telegraph Company for installation of an overhead electric line extension.

WHEREAS: The PACIFIC GAS and ELECTRIC COMPANY (PG&E) by Advice Letter No. 611-E filed September 20, 1977, requests Authority Under Section X.A. of General Order No. 96-A to carry out the terms and conditions of an agreement dated April 8, 1977 with the Pacific Telephone and Telegraph Company (PT&T) covering the installation of an overhead electric line extension to supply service to PT&T's repeater station in Paso Robles.

PT&T will pay an advance of \$10,697 to PG&E representing the difference between the estimated installed cost to PG&E and five times the amount of the estimated gross annual revenue.

PT&T will pay PG&E a monthly cost of ownership charge of \$160.24 representing 1% of the advance less a one time nonrefundable maintenance and operation charge of \$149 plus \$5,476 for trenching work.

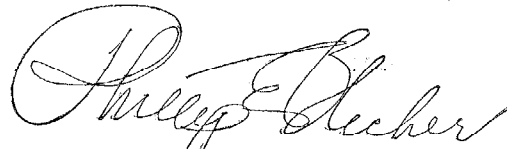

Refunds will be made based on additional permanent, separately metered, electric loads served from this facility, and the cost of ownership fund will be adjusted accordingly.

It is found that the provisions of this agreement are consistent with procedures for the installation of special facilities, are not discriminatory, do not result in an unreasonable burden on other ratepayers, and are just and reasonable; therefore good cause appearing:

IT IS ORDERED that authority is granted Pacific Gas and Electric Company under Section 532 of the Public Utilities Code to carry out the terms and conditions of said agreement effective October 20, 1977. The effective date of this resolution is the date hereof.

I hereby certify that the foregoing Resolution was duly introduced, passed and adopted at a regular conference of the Public Utilities Commission of the State of California, held on the 18th day of October, 1977, the following Commissioners voting favorably thereon:

- ROBERT BATINOVICH
