R E S O L U T I O N

RESOLUTION E-3092. SOUTHERN CALIFORNIA EDISON COMPANY (EDISON) AUTHORIZATION TO ENTER INTO AN AGREEMENT BETWEEN EDISON AND XEROX CORPORATION (XEROX) TO PERMIT XEROX TO OPERATE ITS EMERGENCY GENERATOR WITHOUT INTERRUPTION TO ITS CRITICAL LOAD. ADVICE LETTER NO. 785-E, FILED APRIL 11, 1988.

SUMMARY

Southern California Edison Company (Edison) requests authorization to enter into an Agreement between Edison and Xerox Corporation (Xerox) to amend Contract For Service, Schedule No. I-5. The amendment will permit Xerox to serve its critical load during periods where Edison's service is limited or unavailable without interruption to its critical load. This resolution grants the request.

DISCUSSION

1. By Advice Letter No. 785-E, filed April 11, 1988, Edison requests authorization to enter into an Agreement executed September 17, 1987, between Edison and Xerox. This Agreement amends Contract for Service, Schedule No. I-5 (Form No. 14-176) executed between Edison and Xerox. Xerox has installed an emergency generating facility at its premises located at 2364 Alaska, El Segundo, California 90245, to serve its critical load during periods where Edison's service is limited or unavailable. Edison provides service to Xerox at this location under its Schedule No. I-5, General Service - Large - Interruptible.
2. The purpose of the Agreement is to permit Xerox to momentarily operate its emergency generator in parallel with Edison's electric system for the sole purpose of transferring Xerox's critical load from Edison's system to Xerox's emergency generator and back again to Edison's system, when Edison calls for a period of interruption in accordance with Edison's Schedule No. I-5.
3. This procedure will permit Xerox, during a period of interruption, to reduce its load to the Firm Service Level elected by Xerox, under Edison's Schedule No. I-5, without interruption to the critical load. Service is to be rendered under this Agreement as a deviation from Special Condition No. 17 of Schedule No. 5, and Paragraph E of Rule No. 12, Rates and Optional Rates. Also, under this Agreement, Xerox does not intend to sell or transfer electric energy or capacity to Edison.

FINDINGS
