RESOLUTION NOS. G-1117
E-1047

UTILITIES DIVISION
SECTION: Gas + *Electric*
DATE: December 16, 1959

SUBJECT: Order Authorizing Deviation from Paragraph (c)
of Gas and Electric Rules Nos. 14.

WHEREAS: San Diego Gas & Electric Company, by letter dated December 15, 1959, filed December 16, 1959, having requested authority to deviate from the provisions of paragraph (c) of its electric and gas Rules No. 14 to the extent of rendering bills on the regular monthly billing basis in lieu of a 34-day prorated basis for those customers whose billing period will be 34 days ending either on December 28, 1959 or December 29, 1959.

We find that the requested deviation from Rules No. 14 is justified; therefore, good cause appearing.

IT IS ORDERED that authority be granted under Section 532 of the Public Utilities Code to deviate from Gas and Electric Rules No. 14 under the conditions and in accordance with said letter dated December 15, 1959.

I hereby certify that the foregoing Resolution was duly introduced, passed and adopted at a regular session of the Public Utilities Commission of the State of California, held on the 21st day of December, 1959, the following Commissioners voting favorably thereon:

Secretary
