SUBJECT: Order Authorizing Changes in Tariff Schedules Which May Result in an Increase in Rates.

WHEREAS: SOUTHWEST GAS CORPORATION by Advice No. 48 filed January 13, 1960 having requested authority to increase its customer credit deposits for the Big Bear Lake service area from \$5.00 to twice the estimated monthly bill as set forth in Advice No. 48 which provides application of Southwest Gas Corporation gas tariffs to the Big Bear Lake service area, which said revision will result in an increase in rates requiring authorization by the Commission under Section 454 of the Public Utilities Code; and we find that such increased rates as may result from the above revisions are justified; therefore, good cause appearing.

IT IS ORDERED that authority be granted under Section 454 of the Public Utilities Code to make Revised Cal. P.U.C. Sheet No. 211-G effective in the Big Bear service area on February 12, 1960.

IT IS HEREBY FURTHER ORDERED that Revised Cal. P.U.C. Sheet No. 211-G shall be marked to show that such sheet was authorized to become effective for the Big Bear Lake service area under Resolution of the Public Utilities Commission of the State of California No. G-1119.

I hereby certify that the foregoing Resolution was duly introduced, passed and adopted at a regular session of the Public Utilities Commission of the State of California, held on the 26th day of January, 1960, the following Commissioners voting favorably thereon:
