RESOLUTION NO. G-1122

UTILITIES DIVISION

SECTION: GAS

DATE: March 8, 1960

SUBJECT: Order authorizing Deviation in Tariff Schedules.

WHEREAS: SOUTHERN CALIFORNIA GAS COMPANY, by letter filed February 19, 1960 having requested authority to increase its rates to \$1.00 per Mcf applicable to Resale Natural Gas Service for the emergency gas deliveries made on January 14, 1960 to the City of Long Beach, which said revision will result in an increase in rates requiring authorization by the Commission under Section 532 of the Public Utilities Code, and we find that such increased rate as may result from the above revision is justified;

We find that the requested deviation from Schedule G-60 is justified; therefore, good cause appearing,

IT IS ORDERED that authority be granted under Section 532 of the Public Utilities Code to deviate from Schedule G-60 under conditions and in accordance with said letter dated February 19, 1960.

I hereby certify that the foregoing Resolution was duly introduced, passed and adopted at a regular session of the Public Utilities Commission of the State of California, held on the 8th day of March, 19 60, the following Commissioners voting favorably thereon:
