SUBJECT: Order Authorizing Changes in Tariff Schedules which May Result In an Increase in Rates.

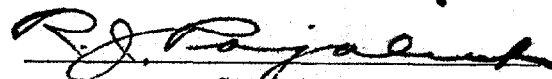

WHEREAS: SOUTHERN CALIFORNIA GAS COMPANY, by Advice No. 532, filed June 15, 1961, having requested authority to enlarge the special rate areas applicable to Terra Bella, which said revision will result in technical increase in rates requiring an authorization by the Commission under Section 454 of the Public Utilities Code; and we find that such increased rates as may result from the above revisions are justified; therefore, good cause appearing,

It is Ordered that authority be granted under Section 454 of the Public Utilities Code to make revised Cal. P. U. C. Sheets Nos. 8308-G and 8309-G effective on July 15, 1961.

It is Hereby Further Ordered that revised Cal. P. U. C. Sheets Nos. 8308-G and 8309-G shall be marked to show that such sheets were authorized to become effective under Resolution of the Public Utilities Commission of the State of California No. G-1143.

I hereby certify that the foregoing Resolution was duly introduced, passed and adopted at a regular session of the Public Utilities Commission of the State of California, held on the 11 day of July, 1961, the following Commissioners voting favorably thereon:

EVERETT C. McKEAGE, President,
PETER E. MITCHELL, C. LYN FOX,
GEORGE G. GROVER, FREDERICK B. HOLOBOFF,
Commissioners.

Secretary
