UTILITIES DIVISION

SECTION: GAS

DATE: February 26, 1962

R E S O L U T I O N

SUBJECT: Order Authorizing Revision of Rule 2(i) on Less Than Statutory Notice

WHEREAS: SOUTHERN CALIFORNIA GAS COMPANY, by Advice No. 544, filed January 31, 1962, having requested authority under Section 454 of the Public Utilities Code to make revisions in its presently filed rules, namely, revising Section (i) of its Rule 2, Character of Service, to permit rate revisions due to changes in heating value to become effective for meter readings taken on and after the effective dates specified in said rule rather than for service rendered on and after said effective dates and as set forth in Revised Cal. P.U.C. Sheets Nos. 8447-G to 8449-G, inclusive, and

WHEREAS: The revision to said rule has the effect of continuing a practice followed for some years but which practice, with General Order No. 96-A becoming effective on March 1, 1962, may now cause a potential increase in charges for limited periods of time by continuing the above described practice, and

WHEREAS: Continuation of the said practice is hereby found to be in the public interest under these particular circumstances, and

WHEREAS: Said utility also requests authority under Section 491 of the Public Utilities Code to make the said sheets effective on less than 30 days', namely on March 1, 1962, and therefore, good cause appearing,

IT IS HEREBY ORDERED that authority be granted under Section 454 of the Public Utilities Code to revise Section (i) of said Rule 2 as specified above.

IT IS FURTHER ORDERED that authority be granted under Section 491 of the Public Utilities Code to make the above sheets effective on March 1, 1962.

IT IS FURTHER ORDERED that the above sheets shall be marked to show that such sheets were issued under Resolution of the Public Utilities Commission of the State of California No. G-1165.
