RESOLUTION NO. G-1233

RESOLUTION

UTILITIES DIVISION
 BRANCH/SECTION: GAS
 DATE: June 16, 1964

SUBJECT: Order Authorizing Change in Tariff Schedule
 Which Will Result in a Technical Increase

WHEREAS: PACIFIC GAS AND ELECTRIC COMPANY, by Advice No. 493-G, filed June 1, 1964, having requested authority under Sections 454 and 455 of the Public Utilities Code to make revisions in its Rate Area Maps as set forth in Cal. P.U.C. Sheet No. 7419-G, and

WHEREAS: Addition of presently unserved territory to the San Lorenzo Valley Rate Area will result in increased charges under the requested Schedule No. G-6.1 above those of Schedule No. G-6 now in effect within the territory to be annexed, thus resulting in a technical increase and,

WHEREAS: The territory to be annexed to the San Lorenzo Valley Rate Area can be most practically served by extending gas mains from within San Lorenzo Valley Rate Area towards Scotts Valley in the annexation, the Commission finds that such technical increase is justified, therefore, good cause appearing,

IT IS ORDERED that authority be granted under Section 454 of the Public Utilities Code to make said sheet effective on July 1, 1964.

IT IS FURTHER ORDERED that the above sheet be marked to show that such sheet was issued under Resolution of the Public Utilities Commission of the State of California No. G-1233.

I hereby certify that the foregoing Resolution was duly introduced, passed and adopted at a regular conference of the Public Utilities Commission of the State of California, held on the 16th day of June, 1964, the following Commissioners voting favorably thereon:

.....
 EVERETT C. McKEAGE,
 GEORGE G. GROVER, FREDERICK B. HOLOBOFF,
 Commissioners.
