RESOLUTION NO. G-1240

R E S O L U T I O N

UTILITIES DIVISION  
 BRANCH/SECTION: GAS  
 DATE: August 25, 1964

**SUBJECT:** Order Authorizing Change in Tariff Schedules  
 Which Will Result in a Technical Increase.

**WHEREAS:** SOUTHERN CALIFORNIA EDISON COMPANY by Advice No. 5-G, filed August 5, 1964, having requested authority under Section 454 of the Public Utilities Code to make revisions in its tariff schedules as designated by Rule No. 11 and set forth in Cal. P.U.C. Sheets Nos. 59-G to 63-G, inclusive, and

**WHEREAS:** The revisions as requested by Southern California Edison Company will result in Rule No. 11 for gas service being uniform with Rule No. 11 for electric service; and

**WHEREAS:** Extension of the provision for a reconnection charge to include failure to comply with all of the tariff schedules, rather than only non-payment of bills, will result in a technical increase, such increase being justified; therefore, good cause appearing,

IT IS ORDERED that authority be granted under Section 454 of the Public Utilities Code to make said sheets effective on September 4, 1964.

IT IS FURTHER ORDERED that the above sheets be marked to show that such sheets were issued under Resolution of the Public Utilities Commission of the State of California No. G-1240.

I hereby certify that the foregoing Resolution was duly introduced, passed and adopted at a regular conference of the Public Utilities Commission of the State of California, held on the 25th day of August, 1964, the following Commissioners voting favorably thereon:

FREDERICK B. HOLOBOFF, President  
 PETER E. MITCHELL, EVERETT C. McKEAGE,  
 GEORGE G. GROVER, WILLIAM M. BENNETT,  
 Commissioners.
