RESOLUTION NO. G-1331

RESOLUTION

UTILITIES DIVISION
 BRANCH/SECTION: GAS
 DATE: August 23, 1966

SUBJECT: Order Authorizing Deviation From Filed Tariffs for a Gas Main Extension and Authorizing Transfer of a Portion of One Rate Area to a New Rate Area which Results in a Technical Increase

WHEREAS: SOUTHERN CALIFORNIA GAS COMPANY by Advice No. 670, filed August 8, 1966, having requested authority under its Rule 20, E.7 and Sections 454 and 455 of the Public Utilities Code to deviate from its filed tariff schedules with respect to waiving gas main extension advances for customers in the extension of natural gas service to Wrightwood and Piñon Hills thereby creating a new rate area (Rate Area 125), as set forth on Cal P.U.C. Sheets Nos. 9722 to 9730, inclusive, and

WHEREAS: This extension is to furnish gas for firm service along some 14 miles of trunk distribution main plus some 22 miles of distribution mains, thereby making it impractical to allocate or separate the respective extension installation costs by customers, and

WHEREAS: Company having further requested under Sections 454 and 455 of the Public Utilities Code to transfer a small portion of Rate Area 7 (Antelope Valley) to the new Rate Area 125 which would result in a technical increase since there are no customers in the area at present, and

WHEREAS: Any future customers in that area would be served from the new extension; therefore, good cause appearing,

IT IS ORDERED that authority be granted under Sections 454 and 455 of the Public Utilities Code to make said tariff sheets effective on September 7, 1966.

IT IS FURTHER ORDERED that the boundary of Rate Area 7 be changed to conform with the boundary of the new Rate Area 125 as proposed.

IT IS FURTHER ORDERED that the above tariff sheets be marked to show that such sheets were issued under Resolution of the Public Utilities Commission of the State of California No. G-1331.

I hereby certify that the foregoing Resolution was duly introduced, passed and adopted at a regular conference of the Public Utilities Commission of the State of California, held on the 23rd day of August, 1966, the following Commissioners voting favorably thereon:

PETER E. MITCHELL, President
 GEORGE G. GROVER, [REDACTED]
