SUBJECT: Modification of Existing Agreement Between Pacific Lighting Service and Supply Company and Southern California Gas Company and Southern Counties Gas Company of California

WHEREAS: PACIFIC LIGHTING SERVICE AND SUPPLY COMPANY by Advice Letter No. 31 filed August 18, 1966, requests under Sections 491 and 532 of the Public Utilities Code that the amendment to the existing contract dated April 28, 1965, between it and Southern California Gas Company and Southern Counties Gas Company of California be authorized, and

WHEREAS: Said amendment results from a change in the contract between Pacific Lighting Service and Supply Company and Pacific Gas and Electric Company which will allow for the purchase of additional volumes of gas from Pacific Gas and Electric urgently needed to replenish storage, and

WHEREAS: No finding is being made as to the reasonableness of the charge for the handling of gas by Pacific Lighting Service and Supply Company; therefore, good cause appearing,

IT IS ORDERED that the amendment to the contract dated April 28, 1965, be authorized as proposed under Sections 491 and 532 of the Public Utilities Code and made effective the date authorized.

IT IS FURTHER ORDERED that granting of such authority shall not be construed as a finding as to the reasonableness of difference between the unit cost of gas paid by Pacific Lighting Service and Supply Company to Pacific Gas and Electric Company and the rate to be charged to Southern California Gas Company and Southern Counties Gas Company of California.

IT IS FURTHER ORDERED that the contract as amended as thereinabove authorized be marked to show that it was authorized under Resolution of the Public Utilities Commission of the State of California No. G-1336.

IT IS FURTHER ORDERED that Pacific Lighting Service and Supply Company shall notify the Commission of the date of termination of said amended contract within thirty days after termination.

I hereby certify that the foregoing Resolution was duly introduced, passed and adopted at a regular conference of the Public Utilities Commission of the State of California, held on the 30th day of August, 1966, the following Commissioners voting favorably thereon:
