RESOLUTION NO G-1439

RESOLUTION

UTILITIES DIVISION  
 BRANCH/SECTION: Gas  
 DATE: June 17, 1969

**SUBJECT:** Order Authorizing Changes in Tariff Schedules Which Will Result in Technical Increases

**WHEREAS:** PACIFIC GAS AND ELECTRIC COMPANY by Advice No. 584-G filed May 9, 1969, having requested authority under Section 454 of the Public Utilities Code to enlarge the Las Lomas Rate Area to include contiguous territory as set forth on Cal. P.U.C. Sheets Nos. 8244-G to 8246-G, inclusive, and

**WHEREAS:** The application of Schedule No. G-11 to the new area conflicts with the territorial applicability of Schedule No. G-6 resulting in a technical increase in rates, and

**WHEREAS:** There are no gas facilities, other than the Las Lomas facilities, from which an extension of service to the new area could be made, and

**WHEREAS:** We find that such technical increases resulting from the application of Schedule No. G-11 are justified; therefore, good cause appearing,

IT IS ORDERED that authority be granted under Section 454 of the Public Utilities Code to make the above sheets effective on June 17, 1969,

IT IS FURTHER ORDERED that the above sheets be marked to show that such sheets were issued under Resolution of the Public Utilities Commission of the State of California No. G-1439.

I hereby certify that the foregoing Resolution was duly introduced, passed and adopted at a regular conference of the Public Utilities Commission of the State of California, held on the 17th day of June, 1969, the following Commissioners voting favorably thereon:
