SUBJECT: Order Authorizing Modification of Rate Area Boundary Lines

WHEREAS: SOUTHERN CALIFORNIA GAS COMPANY by Advice Letter No. 830, filed July 1, 1971, having requested authority under Sections 454 and 455 of the Public Utilities Code to file modified rate area boundary lines in Los Angeles County as set forth on Cal. P.U.C. Sheets Nos. 12375 to 12379-G, inclusive, and

WHEREAS: The proposed revisions are for the purpose of eliminating the division of a new residential development into two separate rate areas, and

WHEREAS: The proposed revisions will result in a decrease in bills for the average residential customer by placing all affected customers in the lower of the two rate schedules, and

WHEREAS: This filing involves the necessary inclusion of minor increases under certain circumstances, and

WHEREAS: We find these increases are justified; therefore, good cause appearing,

IT IS ORDERED that authority be granted under Sections 454 and 455 of the California Public Utilities Code to make the above sheets effective on July 31, 1971.

IT IS FURTHER ORDERED that the above sheets shall be marked to show that such sheets were issued under Resolution of the Public Utilities Commission of the State of California No. G-1527.
