SUBJECT: Order Suspending Tariff Filing

WHEREAS: SOUTHERN CALIFORNIA GAS COMPANY by Advice Letter No. 832, filed August 17, 1971 having requested authority under Section 490 of the Public Utilities Code to revise all Schedules G-1 through G-61 as set forth on Cal. P.U.C. Sheets Nos. 12455-G to 12530-G, inclusive, and

WHEREAS: The purpose of these revisions is to adjust the effective rates and contingent offset charges of the gas schedules to reflect the net effect of recent tracking increases and rate reductions filed with the Federal Power Commission by Transwestern Pipeline Company, and

WHEREAS: The increase portion of this filing falls under the jurisdiction of Executive Order No. 11615, issued by President Nixon on August 15, 1971, imposing a freeze on price increases, and

WHEREAS: We understand that Transwestern's increase will not go into effect due to the Executive Order, and

WHEREAS: We find that this filing should be suspended; therefore, good cause appearing,

IT IS ORDERED that authority be denied under Section 490 of the Public Utilities Code and that this filing be suspended for the duration of the Executive Order and extensions thereof.

IT IS FURTHER ORDERED that Southern California Gas Company accumulate for future distribution all funds realized from the rate reduction portion of this filing, subject to further ruling by this Commission.

I hereby certify that the foregoing Resolution was duly introduced, passed and adopted at a regular conference of the Public Utilities Commission of the State of California, held on the 31st day of August, 1971, the following Commissioners voting favorably thereon:
