**WHEREAS:** LAKE COUNTY UTILITY COMPANY, by Advice Letter No. 7 filed November 29, 1971, requests authority under General Order No. 96-A, Section VI and Section 454 of the Public Utilities Code to increase rates for propane gas service in Clearlake Highlands, Lake County, and

**WHEREAS:** The Commission is of the opinion, after investigation by its staff, that the requested rate increase is reasonable,

The Commission finds that the increased rates hereby authorized are justified and that the present rates are, for the future, unjust and unreasonable.

**IT IS ORDERED** that Lake County Utility Company is authorized to make effective the revised rate schedules (Cal. P.U.C. Sheets Nos. 49-G and 50-G) attached to Advice Letter No. 7 and on the effective date authorized herein to cancel the presently effective rate schedules for propane gas service. The effective date of the revised rate schedule shall be for service on and after December 8, 1971, under Public Utilities Code Section 491.

I hereby certify that the foregoing Resolution was duly introduced, passed and adopted at a regular conference of the Public Utilities Commission of the State of California, held on the 7th day of December, 1971, the following Commissioners voting favorably thereon:
