to Secretary

RESOLUTION NO. G-1549

R E S O L U T I O N

UTILITIES DIVISION

BRANCH/SECTION: Gas

DATE: January 25, 1972

SUBJECT: Order Authorizing Increase in Reconnection Charge

WHEREAS: RUSSIAN RIVER GAS COMPANY by Advice Letter No. 17, filed December 28, 1971, having requested authority under Section 454 of the Public Utilities Code to obtain authorization to file a revised set of Rules and Regulations, as set forth on Cal. P.U.C. Sheets Nos. 80-G to 128-G, inclusive, and

WHEREAS: The purpose of these revisions is to update and expand the utility's rules and regulations as they pertain to gas service customers, and

WHEREAS: These revisions include an increase in the charge for reconnection service from \$1.00 to \$5.00, and

WHEREAS: The result of this increased charge will provide the utility with approximately \$100 additional annual income for an approximate increase of 0.04% of the utility's annual profits, and

WHEREAS: The increased revenue resulting is negligible compared to the total revenue of the utility, thereby avoiding an inflationary effect on the economy, and

WHEREAS: Such increased charges as will result from said revisions are hereby found to be consistent with the purposes of the Economic Stabilization Act of 1970, as amended. In connection with this authorization the utility is expected to comply with the requirements of the Price Commission's regulations relative to the stabilization of prices and rents after November 13, 1971; therefore, good cause appearing,

IT IS ORDERED that authority be granted under Section 454 of the California Public Utilities Code to make the above sheets effective on January 27, 1972.

IT IS FURTHER ORDERED that the above sheets shall be marked to show that such sheets were issued under Resolution of the Public Utilities Commission of the State of California No. G-1549.

I hereby certify that the foregoing Resolution was duly introduced, passed and adopted at a regular conference of the Public Utilities Commission of the State of California, held on the 25th day of January, 1972, the following Commissioners voting favorably thereon:
