**SUBJECT:** Order Authorizing Rate Increase Under Special Contract  
on Less Than Statutory Notice

**WHEREAS:** PACIFIC GAS AND ELECTRIC COMPANY by Advice Letter No. 683-G, filed November 7, 1974, having requested short notice authorization under Section X.A. of General Order No. 96-A and Sections 454, 491 and 532 of the Public Utilities Code to carry out the terms of a contract with Hewlett Packard Company, Inc., covering a gas main reinforcement and supply of interruptible gas service under conditions that deviate from filed tariffs, and

**WHEREAS:** The agreement for said gas main reinforcement deviates from filed tariffs in that the cost of construction will be borne by the customer without allowing one year's estimated revenue to be deducted from the advance as provided under Rule No. 15, and

**WHEREAS:** The agreement further deviates from filed tariffs by requiring the customer to pay a monthly cost-of-ownership charge equal to 1% of any non-refunded advance for a period of sixty months, and

**WHEREAS:** The reason for such deviation is because sale of interruptible gas to this customer will result in no additional revenue to the utility under this class of service, and

**WHEREAS:** Approval on less than statutory notice is requested in order that construction of facilities may proceed promptly to provide an early service date, and

**WHEREAS:** We find this increase is justified; therefore, good cause appearing,

IT IS ORDERED that authority be granted under Sections 454, 491 and 532 of the Public Utilities Code to carry out the terms and conditions of the above agreement, effective November 26, 1974.

IT IS FURTHER ORDERED that the contract be marked to show that it was authorized under Resolution of the Public Utilities Commission of the State of California No. G-1690.

I hereby certify that the foregoing Resolution was duly introduced, passed and adopted at a regular conference of the Public Utilities Commission of the State of California, held on the 26th day of November, 1974, the following Commissioners voting favorably thereon:
