RESOLUTION NO. G-1713

R E S O L U T I O N

UTILITIES DIVISION  
BRANCH/~~SECTION~~: Gas  
DATE: January 21, 1975

**SUBJECT:** Order Authorizing Special Contract Under Conditions Deviating from Filed Tariffs

**WHEREAS:** PACIFIC GAS AND ELECTRIC COMPANY by Advice Letter No. 690-G, filed December 24, 1974, having requested authorization under Section X.A. of General Order No. 96-A and Sections 454 and 532 of the Public Utilities Code to carry out the terms of a contract with Kerman Cooperative Gin and Warehouse Company, Inc., covering a gas main extension and supply of firm industrial gas service to customer's plant in Kerman, Fresno County, under conditions that deviate from filed tariffs, and

**WHEREAS:** The agreement for said gas main extension deviates from filed tariffs in that refunds will be made in accordance with Rule No. 15 only if the customer agrees to accept a reduction in the hourly rate of flow in order to accommodate future applicants for firm gas service, and

**WHEREAS:** The agreement further deviates from filed tariffs by requiring the customer to pay a monthly cost-of-ownership charge equal to one-percent of any non-refunded advance, with such monthly charge to terminate at the end of the ten-year refund period, and

**WHEREAS:** The reason for such provisions is that the gas service extension is sized to meet customer's requirements only with no provisions for spare capacity to serve possible future applicants for gas service, and

**WHEREAS:** We find that this contract is reasonable; therefore, good cause appearing,

**IT IS ORDERED** that authority be granted under Sections 454 and 532 of the Public Utilities Code to carry out the terms and conditions of the above agreement, effective January 23, 1975, which constitutes regular statutory notice.

**IT IS FURTHER ORDERED** that the contract be marked to show that it was authorized under Resolution of the Public Utilities Commission of the State of California No. G-1713.

I hereby certify that the foregoing Resolution was duly introduced, passed and adopted at a regular conference of the Public Utilities Commission of the State of California, held on the 21st day of January, 1975, the following Commissioners voting favorably thereon:
