BRANCH/SECTION: Gas
DATE: January 14, 1975

- _____ Accounting Officer

SUBJECT: Order Approving a Gas Exploration and Development Adjustment (GEDA) Project

WHEREAS: PACIFIC LIGHTING SERVICE COMPANY and SOUTHERN CALIFORNIA GAS COMPANY by GEDA Project Letter 74-I filed December 13, 1974, have requested approval of the funding of gas exploration and development activities in the Cook Inlet area of southern Alaska, and

WHEREAS: This letter filing meets the GEDA requirements prescribed by Decision No. 81898, dated September 25, 1973, in Application No. 53625, and

WHEREAS: A public hearing is not necessary; therefore, good cause appearing,

IT IS ORDERED that authority be granted pursuant to the provisions of Decision No. 81898 for Pacific Lighting Service Company and Southern California Gas Company to participate in the funding of this project and to file for recovery, in rates, of related costs.

Concurring statement:

I have consistently voted against GEDA projects in the past for the reasons which I expressed in my dissent to Decision No. 81898. The instant project is one which I consider most responsible, and one which I recommend as an alternative in my dissent to the above noted decision - ie, the advancement of monies in return for a guaranteed supply of fuel.

[Signature], Commissioner

I hereby certify that the foregoing Resolution was duly introduced, passed and adopted at a regular conference of the Public Utilities Commission of the State of California, held on the 14th day of January, 1975, the following Commissioners voting favorably thereon:
