RESOLUTION NO. G-1732

R E S O L U T I O N

UTILITIES DIVISION
BRANCH/~~SECTION~~: GAS
DATE: April 29, 1975

SUBJECT: Order Authorizing Revision to Sample Form Previously Approved by the Commission

WHEREAS: PACIFIC GAS AND ELECTRIC COMPANY by Advice Letter No. 705-G, filed March 26, 1975, requests authority to revise Sample Form No. 61-4252 by eliminating the termination date of July 1, 1975, as set forth on Cal. P.U.C. Sheets Nos. 9483-G to 9485-G, inclusive, and

WHEREAS: Sample Form No. 61-4252 - "Temporary Supplementary Agreement For Supply of Interruptible Natural Gas" was presented to the Commission by Advice Letter No. 652-G and approved by Commission Resolution No. G-1616, dated February 20, 1974, and

WHEREAS: The sample form, when accepted, created more restrictive tariff conditions by requiring alternate fuel use reports from all customers rather than from only Group I, and

WHEREAS: The temporary sample form approved by Resolution No. G-1616 has an expiration date of July 1, 1975 and the proposed revision filed herewith would eliminate this expiration date and make the termination of such agreements subject to Commission action, and

WHEREAS: This revised form will apply only to new contracts and presently existing contracts will be amended only by Commission action, and

WHEREAS: We find that this revision is reasonable and will not create a burden on other ratepayers; therefore, good cause appearing,

IT IS ORDERED that authority be granted under Section 490 of the Public Utilities Code to make the above sheets effective April 29, 1975.

IT IS FURTHER ORDERED that all existing interruptible agreements currently filed by Sample Form No. 61-4252 be amended to eliminate the July 1, 1975 termination date and that all such contracts be subject to any further modifications as the Commission may so order.

IT IS FURTHER ORDERED that the above sheets be marked to show that they were issued under Resolution of the Public Utilities Commission of the State of California No. G-1732.

I hereby certify that the foregoing Resolution was duly introduced, passed and adopted at a regular conference of the Public Utilities Commission of the State of California, held on the 29th day of April, 1975, the following Commissioners voting favorably thereon:
