.....Alphabetical File
.....Accounting Officer

SUBJECT: Order Authorizing GEDA Increases in Gas Tariff Schedules

WHEREAS: SOUTHERN CALIFORNIA GAS COMPANY by Advice Letter No. 910, filed February 28, 1975, requests authority under Sections 454 and 701 of the Public Utilities Code to increase rates under the GEDA procedure prescribed by Decision No. 81898, dated September 25, 1973, in Application No. 53625 as set forth on Cal. P.U.C. Sheets Nos. 14079-G to 14094-G, inclusive, to become effective on April 1, 1975, and

WHEREAS: The rate adjustment reflects the gas exploration costs for GEDA Project No. 74-I, Union Oil, South Alaska, previously approved by Resolution No. G-1717, dated January 14, 1975, and

WHEREAS: It is proposed to increase existing tariffs by 0.002 cents per therm resulting in an addition to current annual revenues of approximately \$177,000, and

WHEREAS: We find that this rate increase is reasonable; therefore, good cause appearing,

IT IS ORDERED that authority be granted under Sections 454 and 701 of the Public Utilities Code to make the above tariff sheets effective for service on and after April 1, 1975.

IT IS FURTHER ORDERED that the above tariff sheets be marked to show that they were issued under Resolution of the Public Utilities Commission of the State of California No. G-1733.

I hereby certify that the foregoing Resolution was duly introduced, passed and adopted at a regular conference of the Public Utilities Commission of the State of California, held on the 25th day of March, 1975, the following Commissioners voting favorably thereon:
