SUBJECT: Order Authorizing Revision to Previously Approved Contract

WHEREAS: SAN DIEGO GAS & ELECTRIC COMPANY, by Advice Letter No. 329-G, filed March 10, 1975, having requested authorization under Section XA of General Order No. 96-A and under Section 532 of the Public Utilities Code to carry out the terms of a third amendment to Special Contract 176 with Borrego Mobile Park Company, Inc., covering the supply of gas services from LNG facilities, and

WHEREAS: Special Contract 176, as amended, was approved by Decision No. 74169, dated May 28, 1968, in Application No. 49803, and covers gas service supplied by remote LNG facilities to trailer spaces and gas light facilities in a mobile home park, and

WHEREAS: The customer desires to install additional trailer spaces and the utility has expressed an ability and a desire to render service to these additional installations, and

WHEREAS: In keeping with the instructions issued by Commission Resolution No. G-1645, dated June 25, 1974, the utility will not offer service to any additional gas light facilities, thereby reinforcing the utility's policy of continued energy conservation, and

WHEREAS: It is found that the terms of this third amendment to Special Contract 176 are compensatory and will not result in a burden on other ratepayers and are not discriminatory; therefore, good cause appearing,

IT IS ORDERED that authority be granted under Section XA of General Order No. 96-A and under Section 532 of the Public Utilities Code for San Diego Gas & Electric Company to carry out the terms and conditions of the third amendment to Special Contract 176 as of April 9, 1975, which constitutes regular statutory notice.

IT IS FURTHER ORDERED that the third amendment to Special Contract 176 be marked to show that it was authorized under Resolution of the Public Utilities Commission of the State of California No. G-1740.

I hereby certify that the foregoing Resolution was duly introduced, passed and adopted at a regular conference of the Public Utilities Commission of the State of California, held on the 8th day of April, 1975, the following Commissioners voting favorably thereon:
