SUBJECT: Request to Provide Additional Gas Service by
San Diego Gas and Electric Company

WHEREAS: SAN DIEGO GAS AND ELECTRIC COMPANY, by Advice Letter No. 335-G, filed June 5, 1975, having requested Commission approval under Decision No. 83819 and under Section 491 of the Public Utilities Code to install additional facilities to provide additional service to Solar Division of International Harvester Company, and

WHEREAS: The customer states that the amount of additional gas needed is 5,280 Mcfd for 65 days per year on an interruptible basis, and

WHEREAS: The customer will use this additional gas in test cells for gas turbines produced by the customer, and

WHEREAS: Gas must be used to establish accurate operating characteristics for these gas turbines, and

WHEREAS: We find that this request for additional nonresidential gas service is in compliance with the intent of Decision No. 83819; therefore, good cause appearing,

IT IS ORDERED that authority be granted under Section 491 of the Public Utilities Code and under the provisions of Decision No. 83819 for San Diego Gas and Electric Company to provide the additional service to Solar Division of International Harvester Company, effective on June 24, 1975.

I hereby certify that the foregoing Resolution was duly introduced, passed and adopted at a regular conference of the Public Utilities Commission of the State of California, held on the 24th day of June, 1975, the following Commissioners voting favorably thereon:
