SUBJECT: Request to Provide Additional Gas Service by
Pacific Gas and Electric Company

WHEREAS: PACIFIC GAS AND ELECTRIC COMPANY by Advice Letter No. 715-G, filed June 9, 1975, having requested Commission approval under Decision No. 83819 to provide additional service to California Paperboard Corporation, and

WHEREAS: The customer states that the amount of additional gas needed is approximately 4 million therms annually on a year-round basis, and

WHEREAS: California Paperboard Corporation will use this additional gas for boiler fuel, and

WHEREAS: Boiler fuel requirements should be met with alternate fuels, and

WHEREAS: The customer presently has standby facilities for alternate fuel, and

WHEREAS: The gas supply situation in California is critical and to provide this additional service will reduce service to other similar customers on the utility's system; therefore, good cause appearing,

IT IS ORDERED that Commission approval will be denied to Pacific Gas and Electric Company to provide the additional service to California Paperboard Corporation.

IT IS FURTHER ORDERED that the above application be marked to show that it was rejected by Resolution of the Public Utilities Commission of the State of California No. G-1767.
