**SUBJECT:** Order Authorizing Acceptance of Special Contract Under  
Conditions Deviating from Filed Tariffs

**WHEREAS:** PACIFIC GAS AND ELECTRIC COMPANY by Advice Letter No. 716-G, filed June 9, 1975, having requested authorization under Section X.A. of General Order No. 96-A and under Section 532 of the Public Utilities Code to carry out the terms and conditions of a special contract with Safeway Stores, Inc., covering a gas service extension and supply of interruptible gas service under conditions that deviate from filed tariffs, and

**WHEREAS:** The agreement for said gas service extension deviates from filed tariffs in that the cost of construction will be borne by the customer without allowing one year's estimated revenue to be deducted from the advance as provided by Rule No. 15, and

**WHEREAS:** The reason for such deviation is because sale of interruptible gas to this customer will result in no additional revenue to the utility under this class of service, and

**WHEREAS:** Refunds will be made in accordance with Rule No. 15 only if the customer is willing to accept a reduction in the hourly rate of flow proportionate to that of the refund to the advance, and

**WHEREAS:** The reason for this provision is that the gas service extension is sized to meet customers' requirements only with no provisions for future applicants for gas service, and

**WHEREAS:** We find that this agreement is compensatory and nondiscriminatory and will not place a burden on other ratepayers; therefore, good cause appearing,

IT IS ORDERED that authority be granted under Section X.A. of General Order No. 96-A and under Section 532 of the Public Utilities Code for this contract to become effective on July 9, 1975.

IT IS FURTHER ORDERED that the contract be marked to show that it was accepted for filing under Resolution of the Public Utilities Commission of the State of California No. G-1768.

I hereby certify that the foregoing Resolution was duly introduced, passed and adopted at a regular conference of the Public Utilities Commission of the State of California, held on the 8th day of July, 1975, the following Commissioners voting favorably thereon:
