SUBJECT: Request to Provide Additional Gas Service by
Pacific Gas and Electric Company

WHEREAS: PACIFIC GAS AND ELECTRIC COMPANY, by Advice Letter No. 726-G, filed July 3, 1975, having requested Commission approval under Decision No. 83819 to provide additional natural gas service to Husky Oil Company, and

WHEREAS: The customer states that the amount of additional gas needed is approximately 146,400 Mcf annually on a harvest season basis, and

WHEREAS: Husky Oil Company will use this additional gas for boiler fuel and to operate a portable oil field steam generator, and

WHEREAS: These fuel requirements should be met with alternate fuels, and

WHEREAS: The customer presently has standby facilities for alternate fuel, and

WHEREAS: The gas supply situation in California is critical and to provide this additional service will reduce service to other similar customers on the utility's system; therefore, good cause appearing,

IT IS ORDERED that Commission approval will be denied to Pacific Gas and Electric Company to provide the additional service to Husky Oil Company.

IT IS FURTHER ORDERED that the above application be marked to show that it was rejected by Resolution of the Public Utilities Commission of the State of California No. G-1785.

I hereby certify that the foregoing Resolution was duly introduced, passed and adopted at a regular conference of the Public Utilities Commission of the State of California, held on the 29th day of July, 1975, the following Commissioners voting favorably thereon:
