RESOLUTION

UTILITIES DIVISION  
BRANCH/SECTION: Gas  
DATE: August 26, 1975

SUBJECT: Order Authorizing Gas Main Extension

WHEREAS: SOUTHERN CALIFORNIA GAS COMPANY, by Advice Letter No. 943, filed August 21, 1975, having requested authority under Sections 454 and 491 of the Public Utilities Code to extend service into open territory and establish a new rate area to make natural gas service available to Sequoia Dawn Apartments, a project of the Tulare County Housing Authority, as set forth on California Public Utilities Commission Sheets Nos. 14199-G to 14210-G, inclusive, and

WHEREAS: The application of Rate Schedules G-5 and G-45, concurrently, with the precluding of Schedules G-50 and G-53T in the new area will have the effect of reducing the burden on other ratepayers, and

WHEREAS: The utility alleges that this filing will not increase any rate or charge, cause the withdrawal of service nor conflict with other schedules or rules, and

WHEREAS: Short notice authorization is requested in order that construction may commence before unfavorable weather conditions occur, and

WHEREAS: We find that construction of this gas main extension is reasonable; therefore, good cause appearing,

IT IS ORDERED that authority be granted under Sections 454 and 491 of the Public Utilities Code to proceed with this project and to make the above sheets effective as of August 26, 1975.

IT IS FURTHER ORDERED that Southern California Gas Company shall be directed to submit annual rate of return reports for this gas main extension to the Commission after the first full year of operation.

IT IS FURTHER ORDERED that Southern California Gas Company shall be notified that this project will not be allowed to become an excessive burden on other ratepayers and that applications for all future gas main extensions of this type will be carefully scrutinized by the Commission for this purpose.

IT IS FURTHER ORDERED that the above sheets be marked to show that they were issued under Resolution of the Public Utilities Commission of the State of California No. G-1815.

I hereby certify that the foregoing Resolution was duly introduced, passed and adopted at a regular conference of the Public Utilities Commission of the State of California, held on the 26th day of August, 1975, the following Commissioners voting favorably thereon:
