RESOLUTION

SUBJECT: Order Authorizing Amendment to Contract Previously Approved

WHEREAS: SOUTHERN CALIFORNIA GAS COMPANY, by Advice Letter No. 944, filed August 28, 1975, having requested authorization under Section X.A. of General Order No. 96-A and Section 532 of the Public Utilities Code to file an amended contract between it and Imperial Irrigation District for gas service at Coachella under conditions which deviate from filed tariffs, and

WHEREAS: This contract was originally submitted to the Commission by Advice Letter No. 869 and approved by Resolution No. G-1580 on May 8, 1973, and

WHEREAS: The amendment to the contract was made at the request of the customer and consists of the deletion of a paragraph relating to igniter service, and

WHEREAS: Such amendment would make this contract a deviation from the standard G-58 contract, and

WHEREAS: The customer does not use igniter service nor plan to do so and requests deletion of all reference to such service because the utility proposes to make a special charge for such service, and

WHEREAS: The contract remains the same as previously approved in all other ways; therefore, good cause appearing,

IT IS ORDERED that authority be granted under Section X.A. of General Order No. 96-A for the amendment to the contract between Southern California Gas Company and Imperial Irrigation District be accepted for filing effective September 27, 1975.

IT IS FURTHER ORDERED that the above advice letter and amendment to the contract be marked to show that they were accepted for filing under Resolution of the Public Utilities Commission of the State of California No. G-1819.
