RESOLUTION NO. G-1828

RESOLUTION

UTILITIES DIVISION

BRANCH/SECTION: Gas

DATE: November 18, 1975

SUBJECT: Request to Provide Additional Natural Gas Service by
Southern California Gas Company

WHEREAS: SOUTHERN CALIFORNIA GAS COMPANY, by Advice Letter No. 950, filed September 26, 1975, having requested Commission approval under Decision No. 83819 to provide additional interruptible gas service in excess of 200 Mcfd to Quemetco, Inc., and

WHEREAS: The customer states that the average amount of additional gas needed is 675 Mcfd for a total average consumption of 1,330 Mcfd with a peak load of 1,999 Mcfd, and

WHEREAS: The customer has installed additional equipment, including new after burners, to the existing equipment this year which resulted in inadequate gas pressure to operate efficiently, and

WHEREAS: The customer has indicated a present alternative fuel storage of four days supply of propane, and

WHEREAS: All equipment, except new after burners, cannot use fuel oil without major rebuild, therefore; good cause appearing,

IT IS ORDERED that authority be granted under the provisions of Decision No. 83819 for Southern California Gas Company to supply the requested interruptible natural gas service to Quemetco, Inc., for all equipment except new after burners, which can use fuel oil, effective November 18, 1975.

IS IS FURTHER ORDERED that the above letter and application be marked to show that they were authorized under Resolution of the Public Utilities Commission of the State of California No. G-1828.

I hereby certify that the foregoing Resolution was duly introduced, passed and adopted at a regular conference of the Public Utilities Commission of the State of California, held on the 18th day of November, 1975, the following Commissioners voting favorably thereon:
