**SUBJECT:** Order Authorizing Filing of Revised Sample Form Letter Agreement on Less Than Statutory Notice

**WHEREAS:** PACIFIC GAS AND ELECTRIC COMPANY, by Advice Letter No. 754-G, filed September 11, 1975, requests authority under Sections 453, 454 and 491 of the Public Utilities Code to file on short notice a revised sample form letter agreement between the utility and oil refineries, as set forth on Cal. P.U.C. Sheets Nos. 9651-G, to 9653-G, inclusive, and

**WHEREAS:** The original sample form was presented to the Commission by Advice Letter No. 674-G and was approved by Commission Resolution No. G-1675 on October 1, 1974, and

**WHEREAS:** The purpose of this sample form is to enable refineries to produce adequate supplies of fuels during energy shortages by allowing the utility to store specific amounts of natural gas that would normally be used by the refineries in excess of their minimum gas requirements and subsequently deliver it from storage to the refineries during periods of curtailment, and

**WHEREAS:** The amendment filed herewith extends the termination date of the contract from June 30, 1975 to June 30, 1976, and

**WHEREAS:** Approved in short notice is requested so that voluntary curtailment and storage may commence without delay, and

**WHEREAS:** We find that this filing is reasonable and will not result in a burden on other ratepayers; therefore, good cause appearing,

**IT IS ORDERED** that authority be granted under Sections 453, 454 and 491 of the Public Utilities Code to make the above sheets effective on September 30, 1975.

**IT IS FURTHER ORDERED** that the above sheets shall be marked to show that they were issued under Resolution of the Public Utilities Commission of the State of California No. G-1834.

I hereby certify that the foregoing Resolution was duly introduced, passed and adopted at a regular conference of the Public Utilities Commission of the State of California, held on the 30th day of September, 1975, the following Commissioners voting favorably thereon:
