RESOLUTION

UTILITIES DIVISION  
BRANCH/SECTION: Gas  
DATE: June 2, 1976

SUBJECT: Order Authorizing Tariff Schedule Revision

WHEREAS: SAN DIEGO GAS AND ELECTRIC COMPANY, by Advice Letter No. 356-G, filed May 3, 1976, having requested authority to revise gas Schedule GL-1, Service From Liquefied Natural Gas Facilities-Borrego, as set forth on Cal. P.U.C. Sheets Nos. 2006-G and 2007-G, and

WHEREAS: The revision would include a special condition where by seasonal customers who discontinue gas service for short periods of time would be responsible for all facilities' charges and all other charges that might occur had not service been discontinued, and

WHEREAS: The mobile home park owner is currently contractually responsible for such charges for his tenants but such contractual obligations are beginning to expire, and

WHEREAS: This filing will not effect customers who request service to be reconnected after more than 12 months of shut-off, and

WHEREAS: The purpose of this filing is to prevent loss of revenue to the utility should the pattern of short-term disconnect continue, and

WHEREAS: We find this provision to be reasonable; therefore, good cause appearing,

IT IS ORDERED that authority be granted under Section 532 of the Public Utilities Code for San Diego Gas and Electric Company to place the above tariff sheets into effect as of June 2, 1976, which constitutes regular statutory notice.

IT IS FURTHER ORDERED that the above tariff sheets be marked to show that they were authorized under Resolution of the Public Utilities Commission No. G-1878. The effective date of this resolution is the date hereof.
