SUBJECT: Order Authorizing PGA Offset Increase in Gas Tariff Schedules

WHEREAS: CALIFORNIA-PACIFIC UTILITIES COMPANY, by Advice Letter No. 83-G, filed June 28, 1976, requests authority under the Purchased Gas Adjustment clause in its filed tariffs and under Section 454 of the Public Utilities Code, to adjust its gas rate schedules, applicable to its Needles rate area, as set forth on Cal. P.U.C. Sheets Nos. 435-G to 437-G, inclusive, to become effective August 1, 1976, and

WHEREAS: These tariff revisions are to offset changes in rates requested by PG&E in Application No. 56392, and

WHEREAS: California-Pacific Utilities Company was granted a PGA procedure by Decision No. 84765, dated August 5, 1975, in Application No. 54665, and

WHEREAS: California-Pacific has established lifeline quantities at 20 therms in the summer and 45 therms in the winter pending final determination of lifeline by the Commission in Case No. 9988, and

WHEREAS: It is proposed to increase existing tariffs to result in an addition to current revenues of approximately \$5,007, and

WHEREAS: We find this rate increase to be reasonable; therefore, good cause appearing,

IT IS ORDERED that authority be granted in accordance with the provisions of California-Pacific Utilities Company's PGA procedure and under Section 454 of the Public Utilities Code to make the above tariff sheets effective for service on August 1, 1976 or on the same date that the Commission allows PG&E's rate increase to be effective, whichever is later.

IT IS FURTHER ORDERED that in the event that PG&E is required to file different tariffs other than those contained in Application No. 56392, authority will be granted under Sections 491 and 701 of the Public Utilities Code for California Pacific Utilities Company to submit substitute tariff sheets to reflect Commission approved rate levels and that such substitute tariff sheets will become effective August 1, 1976, or upon one-day notice, whichever is later.

IT IS FURTHER ORDERED that the above tariff sheets and/or any subsequent substitute tariff sheets be marked to show that they were issued under Resolution of the Public Utilities Commission of the State of California No. G-1926. The effective date of this resolution is the date hereof.
