DATE: December 21, 1976

SUBJECT: Order Authorizing Establishment of Steam Balancing Account

WHEREAS: PACIFIC GAS & ELECTRIC COMPANY, by Advice Letter No. 52-S, filed December 2, 1976, having requested authority under Section 792 of the Public Utilities Code to establish and maintain a steam balancing account and to file periodically a balancing rate to amortize the accumulated balance in said account, as set forth on the Cal. P.U.C. Sheets Nos. 212-H to 214-H, inclusive, and

WHEREAS: The State Legislature has passed and the Governor has signed AB-2548, which adds Section 792.5 to the Public Utilities Code, which requires that all utilities shall establish and maintain a reserve account reflecting the balance between related costs and revenues, and

WHEREAS: This filing is for the purpose of complying with the intent of Section 792.5 of the Public Utilities Code by establishing a balancing account to reflect the revenues and the underlying fuel costs of the utility's steam system, and

WHEREAS: An effective date of January 1, 1977 is requested to coincide with the effectiveness of AB-2548, and

WHEREAS: We find this request to be reasonable and in the best interest of all concerned; therefore, good cause appearing,
