UTILITIES DIVISION
BRANCH/SECTION: Gas
DATE: January 5, 1977

R E S O L U T I O N

SUBJECT: Request for Approval of Additional Temporary Gas Service
by Southern California Gas Company

WHEREAS: SOUTHERN CALIFORNIA GAS COMPANY, by Advice Letter No. 1034, filed December 2, 1976, having requested Commission approval under the provisions of Decision No. 85189, to provide additional temporary gas service to Pacific Clay Products, Inc. (Applicant) in excess of 100 Mcfd, and

WHEREAS: Applicant manufactures a variety of vitrified clay products at its two plants in Santa Fe Springs and Alberhill, and

WHEREAS: The drying tunnels and floors at the Alberhill plant have a peak day Priority 3 load of 224 Mcf, and the drying tunnels and floors at the Santa Fe Springs plant have a peak day Priority 2B (temporary) load of 838 Mcf, and

WHEREAS: Applicant's efforts to dry heavy clay items using an oil-fired burner have been abandoned because of scumming which makes the product commercially unacceptable, and

WHEREAS: Applicant required more time for his engineering firm contractor to develop an oil burner specifically for his requirements, and

WHEREAS: We find applicant's request for an extension of time reasonable; therefore, good cause appearing,

IT IS ORDERED that authority be granted under Section 701 of the Public Utilities Code and under the provisions of Decision No. 85189 for Southern California Gas Company to reclassify the Pacific Clay Products, Inc., plant in Alberhill from Priority 3 to Priority 2A (temporary) and to extend the alternate fuel conversion deadline at both the Alberhill and Santa Fe Springs plant from December 2, 1976 to December 2, 1977, or until a satisfactory oil-burner is designed and installed, whichever date comes first. Such authority to become effective this date.

IT IS FURTHER ORDERED that the above advice letter be marked to show that it was authorized under Resolution of the Public Utilities Commission of the State of California No. G-2015. The effective date of this Resolution is the date hereof.

I hereby certify that the foregoing Resolution was duly introduced, passed and adopted at a regular conference of the Public Utilities Commission of the State of California, held on the 5th day of January, 1977, the following Commissioners voting favorably thereon:
