RESOLUTION NO. G-2020

UTILITIES DIVISION
 BRANCH/SECTION: Gas
 DATE: January 18, 1977

R E S O L U T I O N

SUBJECT: Order Authorizing Acceptance of Special Contract Under Conditions Deviating from Filed Tariffs

WHEREAS: PACIFIC GAS AND ELECTRIC COMPANY by Advice Letter No. 851-G, filed December 23, 1976, having requested authorization under Section 532 of the Public Utilities Code to carry out the terms and conditions of a special contract with V. P. Corn Products, Inc., (Applicant) covering a gas main extension to supply natural gas service under conditions that deviate from filed tariffs, and

WHEREAS: Authority to supply natural gas to this Applicant was granted by prior Commission resolution, and

WHEREAS: The agreement deviates from filed tariffs in that the cost of construction will be borne by the Applicant without allowing one year's estimated revenue to be deducted from the advance as provided by Rule No. 15, and the Applicant will also pay a monthly cost-of-ownership charge equal to 1% of any non-refunded advance, and

WHEREAS: The reason for such deviations is because sale of gas to this customer will result in no additional revenue to the utility under present supply conditions, and

WHEREAS: Refunds will be made in accordance with Rule No. 15 only if the customer is willing to accept a reduction in the hourly rate of flow proportionate to that of the refund to the advance, and

WHEREAS: The reason for this provision is that the gas extension is sized to meet Applicant's requirements only with no provisions for future applicants for gas service, and

WHEREAS: We find that this agreement is compensatory and nondiscriminatory and will not place a burden on other ratepayers; therefore, good cause appearing,

IT IS ORDERED that authority be granted under Section 532 of the Public Utilities Code for this agreement to become effective on January 22, 1977, which constitutes regular statutory notice.

IT IS FURTHER ORDERED that the agreement be marked to show that it was accepted for filing under Resolution of the Public Utilities Commission of the State of California No. G-2020. The effective date of this resolution is the date hereof.

I hereby certify that the foregoing Resolution was duly introduced, passed and adopted at a regular conference of the Public Utilities Commission of the State of California, held on the 18th day of January, 1977, the following Commissioners voting favorably thereon:
